Event: DCIM Workshop - Introduction

Date: 22nd July 2025

The Digital Citizenship & Internet Maturity (DCIM) Club of Birla School Pilani successfully conducted a workshop for Classes 5 to 9 & 11, focusing on Online Learning, Online Safety, and Online Reputation. The session was led by senior student members who confidently delivered the content and ensured discipline. Students explored effective ways to learn online, understood safety measures to protect themselves in the digital space, and discovered how to maintain a positive and responsible online presence. The interactive session also inspired peer-led learning and active engagement.
